*line 2*

Before "sections", please insert -- different sized --.

Claim 10.

Please delete "10" and insert --9--.

Claim 11.

Please delete "11" and insert --10--.

Claim [12.] 11. A height adjustable golf tee for supporting a golf ball, the golf tee comprising  
a golf tee body having a plurality of separable different sized units,  
one of the plurality of separable different sized units having a ball supporting  
portion,  
means for separating the plurality of separable different sized units to select a  
height for the golf tee.

a4  
Claim [13.] 12. A method of adjusting a golf tee for height comprising  
the following step  
disconnecting a separable different sized section of a golf tee to select an  
appropriate height for the golf tee.

Claim [14.] 13. The method of adjusting a golf tee for height according to  
claim [13] 12 further comprising the step of  
reconnecting a separable different sized section of a golf tee to select an  
appropriate height for the golf tee.
